UBUD RESTAURANT

auroratravel.asia

Ubud is also a haven for healthy eating, with many restaurants highlighting organic, vegan, and raw food options sourced from nearby farms. From family-run warungs serving authentic local meals to stylish fine-dining venues and serene jungle-view cafés, Ubud's dining scene offers something for every taste while celebrating the island's farm-to-table philosophy.

Ubud Restaurant

Green Kubu Café

Nestled between stunning water lily ponds in Ubud is the Instagram - worthy Green Kubu Cafe. This location, which is on a boundary of rice fields with grass and colorful foliage and open spaces furnished with bean bags and lovely parasols for lounging, is what makes it special.
