Cozinha de Bangkok

A culinária de Bangkok é uma mistura dinâmica de sabores tradicionais tailandeses, cultura de comida de rua e influências internacionais, refletindo o papel da cidade como o centro culinário da Tailândia. A cena gastronômica varia de humildes barracas de rua a restaurantes sofisticados, oferecendo de tudo, desde frituras apimentadas a curries e frutos do mar frescos.

Norte da Tailândia

A culinária do norte da Tailândia é diferente do restante da Tailândia, influenciada pelos sabores de Lanna, da Birmânia e do Laos. Ela apresenta pratos herbáceos e levemente condimentados, com arroz pegajoso como alimento básico, geralmente comido à mão. A culinária é rica em carnes grelhadas, pratos à base de curry e ervas frescas, refletindo o terreno montanhoso e o clima mais frio da região.

Sul da Tailândia

A culinária do sul da Tailândia é conhecida por seus pratos ousados, apimentados e intensamente saborosos, influenciados pelos sabores malaio, indiano e costeiro. Com uma abundância de frutos do mar frescos, leite de coco e temperos perfumados, a comida aqui é rica, aromática e, muitas vezes, ardente.
