IMPORTANT NOTES

- Chiang Rai is mountain route.
- Krabi and Samui is also small town and small road. So these destinations, we'll use normal van (Toyota Commuter - 9 seats) only krab.
- Luxury vehicle is available just in Krabi; Hyundai HI - 2 seats
- Luxury van like Toyota Alphard, Benz Sprinter is cannot be guaranteed. It's really limit car in Phuket and mostly were blocked by 5* hotel
- Mercedes Benz E Class Sedan, we never use. As for Latin Market, they never carry just 2 medium size luggage and cannot put in the car.
- Sedan car also not so convenient, compare to high roof car like Toyota Ventury or Toyota Alphard which have wider and separate seats and higher roof krab.

Thank You
