## TRADITIONAL THAI MASSAGE AT HEALTH LAND

Health Land, the land of health and wellness, where art and science of **traditional Thai wellness** harmoniously combine. Thai Massage is richly rewarding, holistic therapy that can relax as well as energize and assist in relieving many common ailments. It helps to attain and regain “balance” in the flow of energy (chi or prana) in the body. It achieves this through the application of rhythmic compression to energy lines and points together with deep stretching, improving circulation throughout the body. You will relieve muscular aches and pains, reduce tension and totally unwind.

Step into our oasis of care, where time is left at the door and a new journey begins...
